Input on Flow Research's Preliminary Proposal

The Market for Temperature Sensors in the Americas, 3rd Edition

We would really appreciate your feedback on any or all of the questions below!

1. Are you aware of other types of temperature sensors beyond thermocouples, RTDs, infrared, fiber optic, and thermistors that we should include in this study?
2. Would you like us to include any other industries, segments, or issues?
3. How important is it for you to understand industry trends in adopting safety and other standards?

Not at all ___ *Somewhat* ___ *Important* ___ *Very Important* ___ *Extremely important* ___

Which standards are most important for your business? _____

4. How important is it for us to include purchasing projections for end users/OEMs/MROs?
(Please circle customer type important to you.)

Not at all ___ *Somewhat* ___ *Important* ___ *Very Important* ___ *Extremely important* ___

5. How likely are you to purchase our study on temperature sensors sold in/to the Americas?

No way ___ *Not very likely* ___ *Somewhat likely* ___ *Very likely* ___ *Extremely likely* ___

6. How likely are you to purchase a companion study of the temperature sensor market covering European suppliers and key Asian suppliers?

No way ___ *Not very likely* ___ *Somewhat likely* ___ *Very likely* ___ *Extremely likely* ___

7. What would you like to get from this study?

Your name, title, company, address, phone, and email:
